Opinion of the Audit Committee:

The Audit Committee has reviewed the Company's financial statements for the fiscal year ended December 31, 2025, and opined that the financial statements have been prepared in accordance with financial reporting standards correctly and completely. Therefore, it is appropriate to propose to the Board of Directors for consideration before further proposing to the 2026 Annual General Meeting of Shareholders for consideration and approval.

Opinion of the Board of Directors:

The Board of Directors has considered the Company's financial statements for the fiscal year ended December 31, 2025 which have been audited and certified by the Company's auditor and have been reviewed by the Audit Committee, and agreed to propose to the 2026 Annual General Meeting of Shareholders for consideration and approval. Remark: This agenda shall be approved by a simple majority vote of the shareholders attending the meeting and casting their votes, excluding abstentions from the calculation base.

Agenda 4 To acknowledge an omission of allocation of legal reserve, and approve an omission of 2025 annual dividend payment

Objective and Rationale:

Reference is made to Article 34 (3) of the Company's Articles of Association, which stipulates that the annual general meeting of shareholders shall consider the allocation of net profit as dividend for shareholders, and Article 40 of the Company's Articles of Association, which stipulates that the payment of dividend from any type of money other than profit cannot be made and the payment of dividend is prohibited in case that the Company has accumulated losses.

For the year 2025, the Company generated net loss of 99,977,871.00 Baht, as appeared in the separate financial statements of the Company for the fiscal period ended December 31, 2025.

In addition, Article 39 of the Company's Articles of Association stipulates that, the Company is required to allocate its annual net profit, after deducting accumulated losses brought forward (if any), in the amount of not less than five (5) percent as reserve fund until this fund attains an amount of not less than ten (10) percent of the registered capital.

In this regard, since the Company generated loss for the year 2025, the Company therefore omits to allocate legal reserve. Presently, the Company has registered capital of 2,900,687,300.00 Baht and had legal reserve of 263,184,205 Baht.

The Dividend Payment Policy of the Company:

The Company has a policy to pay dividend in normal case at the rate of 50 percent of net profit after deducting corporate income taxes, unless the Company deems it necessary to use cash for future business expansion.

Opinion of the Board of Directors:

The Board of Directors has considered and agreed to propose to the 2026 Annual General Meeting of Shareholders for consideration and approval of an omission of 2025 annual dividend payment since the Company generated loss for the year 2025, according to the Article of Association and the Dividend Payment Policy of the Company.

Details of payment / omission of payment of dividend	Year 2025 (Proposed year)	Year 2024
1. Net profit (loss) for the year	(99,977,871) Baht	(186,707,862) Baht
2. Total number of issued shares	290,068,730 Share	290,068,730 Share
3. Dividend payment per share	Omission of payment	Omission of payment
4. Total dividend payment	Omission of payment	Omission of payment
5. Proportion of dividend from net profit (%)	-	-

Remark: This agenda shall be approved by a simple majority vote of the shareholders attending the meeting and casting their votes, excluding abstentions from the calculation base.

Agenda 5 To consider and approve the determination of remunerations for the Board of Directors and sub-committees for the year 2026

Objective and Rationale:

Reference is made to Article 34 (6) of the Company’s Articles of Association, which stipulates that the annual general meeting of shareholders shall consider the determination of remunerations for the Board of Directors.

Opinion of the Nomination and Remuneration Committee

The Company has established a policy regarding the determination of remunerations for the Board of Directors and sub-committees, by having the Nomination and Remuneration Committee (“NRC”) to be responsible for considering the determination of remunerations for the Board of Directors and sub-committees, for proposing to the Board of Directors for consideration before further proposing to the shareholder meeting for consideration and approval. In this regard, the NRC has carefully considered the determination of remunerations for the year 2026 according to the criteria established by the Company, which shall take into account the various factors, covering the Company’s performance results in the past year, duties and responsibilities, results of performance evaluation of the Board of Directors and sub-committees in the last year, comparative information of remunerations for the Board of Directors and sub-committees of other companies in the same industry group which have similar size, including 2026 meeting plans of the Board of Directors and each sub-committee, and trend of business expansion and profit growth of the Company for the year 2026. Then, the NRC has opined that it is appropriate to determine the remunerations for the Board of Directors and sub-committees for the year 2026 at the same rate as the remunerations for the Board of Directors and sub-committees for the year 2025.

Opinion of the Board of Directors:

The Board of Directors has considered the opinions of the NRC and opined that the determination of remunerations for the Board of Directors and sub-committees for the year 2026 as per opinions of the NRC is appropriate. Therefore, the Board of Directors has agreed to propose to the 2026 Annual General Meeting of Shareholders to consider and approve the determination of remunerations for the Board of Directors and sub-committee for the year 2026, which consists of Annual Retention Fee and Meeting Allowance without other benefits, with the following details:

Additional Information: (1) To be exclusively paid to directors and/or members of sub-committees who are not executive.

(2) To be paid in quarterly installments.

(3) To be only paid in case of attending the meeting.

The details of remunerations paid to each director and member of sub-committee for the year 2025 appear in the topic “Information on the remunerations of each individual director for the year 2025” in the Annual Report for the Year 2025 (Form 56-1 One Report) in QR Code format, as [Enclosure 1](#).

Remark: This agenda shall be approved by a vote of no less than two-thirds of the total number of votes of the shareholders attending the meeting, including abstentions from the calculation base.

Agenda 6 To consider and approve the election of directors to replace directors to be retired by rotation

Objective and Rationale:

Reference is made to Article 21 of the Company’s Articles of Association, which stipulates that at every annual general meeting of shareholders, one-third of directors, who have held office for the longest time, shall be retired from office, where the retired directors can be re-elected as director. In addition, Article 34 (4) of the Company’s Articles of Association stipulates that, the annual general meeting of shareholders shall consider the election of directors to replace directors who shall be retired by rotation.

At the 2026 Annual General Meeting of Shareholders, there are 3 directors who shall be retired by rotation, as follows:

1. Dr. Kurujit Nakornthap Independent Director
2. Mr. Ittinant Suwanjutha Independent Director
3. Mr. Tommy Taechaubol Director (Non-Executive Director)

Opinion of the Nomination and Remuneration Committee (by members having no conflict of interest):

The Company has established a policy regarding the nomination of director, by having the Nomination and Remuneration Committee (“NRC”) to be responsible for nominating the qualified persons to serve as directors, for proposing to the Board of Directors for consideration before further proposing to the shareholder meeting for consideration and approval. In this regard, the NRC has carefully considered in nominating the persons who have full qualifications in accordance with relevant laws and regulations, and are suitable to be director of the company where is publicly owned. Also, such persons must have knowledges, abilities, and experiences that will be beneficial to the business operations of the Company, and can dedicate time to fully perform the duties for the Company, so that these qualifications can support the creation of utmost benefits for the Company and shareholders. In nomination of directors, the NRC has also considered the diversity in the structure of the Board of Directors (Board Diversity). The Company has prepared the Board Skills Matrix to be used for determining the qualifications of directors that should be nominated, which the lacking necessary skills will be taken into consideration.

In this regard, the NRC had nominated the directors according to the Company’s determined process as detailed above, and opined that throughout the past period, those 3 directors who shall be retired by rotation, have qualifications in accordance with relevant laws and regulations and have qualifications appropriate to the business operations of the Company, in all respects, and have also dedicated time to perform the duties to the fullest extent for the Company in order to create utmost benefits for the Company and shareholders. Therefore, the NRC opined that it is appropriate for 3 directors to be re-elected as directors for another term.

Additionally, Dr. Kurujit Nakornthap has served as Independent Director of the Company for 10 years and Mr. Ittinant Suwanjutha has served as Independent Director of the Company for 5 months (holding the directorship for the remaining term of the resigning director who he replaces). If these 2 independent directors have been re-elected to this position and serve the full office term, Dr. Kurujit Nakornthap will hold the position of Independent Director of the Company for a total of 13 years and Mr. Ittinant Suwanjutha will hold the position of Independent Director of the Company for a total of 3 years and 5 months. However, in the case of Dr. Kurujit Nakornthap, he is a person who possesses extensive knowledge and experience in businesses related to BEYOND Group. During his tenure as an independent director, he has consistently devoted his knowledge, capabilities, and experience, as well as provided independent and beneficial opinions to the Company’s business operations. He has also performed his duties with responsibility, due care, and integrity at all times.

BOUND&BEYOND

The profiles of directors nominated for re-election to hold directorship for another term appear in the Enclosure 2.

In addition to nomination of directors by the NRC as per the above details, the Company has provided an opportunity for shareholders to nominate qualified persons to be elected as directors at the 2026 Annual General Meeting of Shareholders. In this regard, the Company informed such invitation through the disclosure portal of the Stock Exchange of Thailand, and disclosed the criteria for proposal on the website of the Company. The shareholders are invited to propose between October 20, 2025 and January 31, 2026. However, after completing the said time frame, there is no shareholder nominating the qualified person to be elected as director as being invited by the Company.

Opinion of the Board of Directors (by directors having no conflict of interest):

The Board of Directors has considered the opinions of the NRC and opined that the persons nominated to this meeting have been fully considered according to the Company's determined process. Those persons have qualifications in accordance with relevant laws and regulations and have qualifications appropriate to the business operations of the Company, in all respects, and the Board of Directors has considered and found that the persons to be nominated as Independent Directors have the qualifications in accordance with the laws related to the requirements regarding Independent Directors. Therefore, the Board of Directors has agreed to propose to the 2026 Annual General Meeting of Shareholders to consider and approve the re-election of **(1) Dr. Kurujit Nakornthap, (2) Mr. Ittinant Suwanjutha, and (3) Mr. Tommy Taechaubol**, who shall be retired by rotation, to hold directorship for another term. In this respect, Dr. Kurujit Nakornthap and Mr. Ittinant Suwanjutha will serve as Independent Director, and Mr. Tommy Taechaubol will serve as Director.

Remark: This agenda shall be approved by a simple majority vote of the shareholders attending the meeting and casting their votes, excluding abstentions from the calculation base. In this regard, each nominated person will be voted separately.

Agenda 7 To consider and approve the appointment of auditors and determination of audit fee for the fiscal year ended December 31, 2026

Objective and Rationale:

Reference is made to Article 34 (5) of the Company's Articles of Association, which stipulates that the annual general meeting of shareholders shall consider the appointment of auditors and determination of audit fee.

Opinion of the Audit Committee:

In considering the selection of auditors for the fiscal year ended December 31, 2026, the Audit Committee has considered and selected the auditors who have appropriate qualifications covering all aspects, which include educational qualifications, knowledges, abilities, experiences, supporting teams, and efficiencies and auditing results in the past period, especially the auditors' independence which shall not have any relationships or interests with the Company, subsidiaries, directors, executives, major shareholders, and any persons related to those persons. In this regard, the Audit Committee has opined that the auditors from Deloitte Touche Tohmatsu Jaiyos Audit Co., Ltd., which is the audit firm certified by the Securities and Exchange Commission, have appropriate qualifications covering all aspects as specified by the Company as mentioned above, especially the qualifications about the independence, which the auditors from Deloitte Touche Tohmatsu Jaiyos Audit Co., Ltd. have no any relationships or interests with the

In selecting the auditors from other auditing firms, the same criteria as for the Company will be used under selection process. In this regard, the Board of Directors will oversee to ensure that the financial statements can be prepared within the specified time period.

Opinion of the Board of Directors:
